Hi Jennifer. Tomorrow afternoon works best for me. What if Eileen and I find some time then, and see if that works for you?

Hi Debra,

I have a quick question re. the AQ Analysis. (Nothing technical, just a process question.) Do you have time for a phone call this afternoon or tomorrow?

Thanks,
Jennifer

Megan and Dave,

In preparation for our next meeting, please find a draft version of Region 5's Southeast Chicago Ambient Air Quality Analysis attached. We can use part of the meeting to walk through and discuss any questions or feedback you may have. Looking forward to it!
